Spring Tour March/April 2010

This year's theme is **THE 90s!**
All classes will start their pieces the first week in February.
We will visit 6 or 7 nursing homes & children's facilities.
Costuming will (again) be simple to encourage as much participation as possible!
A Show Calendar will be available in February.

Special points of interest:

- Sign up for the Spring Tour in February
- **NEW CSDC Apparel order deadline: February 8-order now!**
- June Showcase Newsletter is in the works. Look for new Costume Rehearsal Week plans and other info on Ticket Day, Picture Day and more!
- If you haven't already, sign up for Daddy/Daughter at the front desk.
- Thanks to our dancers, parents, friends, and the community, the donations we received while dancing at the 2009 Victorian Festival provided 2 winter jackets, 4 DVD players, 2 MP3 players, and some personal health items to some of the children at Methodist Boys Home.
